**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are consumers and a small business owner who have telephone and internet service from a competitive provider and generally support the choice of competitive providers for broadband. We do not want price hikes on our telephone and internet service. We have DSL but are hoping to switch to fiber service shortly.
